## Shop Small Saturday Campaign Shopping Bag

Sand Springs Chamber is starting to plan for their Shop Small Saturday program. We are offering a reusable shopping bag that will have the business' logos on the bag.

### **Here is how it works:**

Chamber Members will have their logo placed on the bag in one monochromatic color. For the purchase price each business will be given 100 bags to use as they wish. For the next year (Nov/2018 – Nov/2019) we require the business offer a minimum discount of 10% off each purchase to the customer when they return with the bag. This will help to promote repeat business and build your brand. The Chamber logo will be in the center of the front of the bag and the business logos will be on the front and back. The Chamber will be working on organizing a monthly program to encourage the use of the bags on the first Saturday of the month.
